

Bible overview in 1 go: The Big Picture

What are owls famous for? (Seeing in the dark, being wise, turning their heads 180 deg)

Remember the Proverb we learned earlier this year? Proverbs 9v10 : *"The fear of the Lord is the beginning of wisdom"*...Wisdom has to do with being wise, e.g. knowing what to do, or where to go. But if it is dark even a wise person may not find the right way to go.

Seeing in the dark – if you are not an owl, it helps to have some light. The Bible says *"Your word is a lamp to my feet and a light to my path"*.... So here is **THE BIG PICTURE**.... THE BIBLE on one sketchboard!

Painting tips:

1. The Globe- colour the globe
2. Paint figures in.
3. Add flood water, green hill under ark, stick on prepared rainbow.
7. Paint in red beard for Esau, black for Jacob, facing one another, cross faces. Paint in heads on the 12 sons, arrow up to Joseph in next picture.
8. Paint in head, arms and legs on prepared many-coloured coat.
13. Repeat memory verse Proverbs: 9 v. 10
- 14/15. Double space. Prepare with Bethlehem town – just a couple of houses, on the left hand hill of the **JESUS** window: stick a shiny card/foil star on above town, paint the crosses on the middle hill, and an arrow pointing upwards for the coming to life again.
16. Smiley faces if room, or heart shape backdrop.
